

November 11, 2021

Dear Family & Friends,

We are happy to tell you that our Covid situation has been quite calm these last few weeks.

All staff and Residents have been vaccinated; boosters and flu shots are in process. Visiting is still limited by the regulations but possible with precautions. Please help us to continue protecting the residents as you make holiday plans.

The Knights of Columbus have given us a beautiful statue of Blessed Michael McGiveney. Last Sunday, Archbishop Cronin came to bless it. At 94 years of age, he has amazing strength and wit.

Our team has recently been enriched with a lay Administrator. Her name is Patricia Salisbury. She lives in Enfield and has a lot of experience.

Have a wonderful Thanksgiving celebration. Don't forget our annual "Turkey Drop"

Gratefully,

Mother Genevieve & the Little Sisters
